Saturday, March 30 | 9:00 AM - 1:00 PM

\$3 / Person

\$15 / Family (6 or less)

Ages 3 and Under are FREE!

Lexington Technology Center

2421 Augusta Hwy

Lexington, SC 29072

Construction Kids is an educational community event that will provide children with a hands-on opportunity to see and touch heavy machinery and meet the people who build, protect and serve our community. Kids of all ages will be able to explore vehicles like a fire engine, crane, dump truck and so much more!

We need YOUR HELP! We are looking for sponsors and exhibitors to showcase hands-on learning activities for kids of all ages. Whether you can donate items or volunteer your time, we need your help to make this inaugural event a huge success!

Thanks to our sponsor:

nawiccolumbia@gmail.com

Our local chapter serves women working in all fashions of the construction industry throughout Columbia, SC. We strive to offer networking and educational opportunities to members, other women of the construction industry and our community.
